ARDEE MONTESSORI HOUSE

WELCOME FROM OUR PRESIDENT

Ms. Chanda Raisinghani

President

At The Ardee School, we are steadfast in our commitment to an education that is not merely progressive, but truly pioneering. We hold that schooling must transcend the mere replication of knowledge; rather, it is a transformative endeavour of the highest order. We do not idly await the future; we prepare our pupils to architect it.

Through our distinguished association with Cambridge International, offering both IGCSE and A Levels, we cultivate scholars prepared for the rigours of the global stage.

MONTESSORI HIGHLIGHTS

At Ardee Montessori House, each child is met with respect, trust, and a prepared environment that supports their natural growth.

Our Montessori programme is intentionally designed to give every child a warm, confident, and emotionally secure beginning before they enter any formal campus environment. These highlights help families understand what makes our Montessori ecosystem truly special.

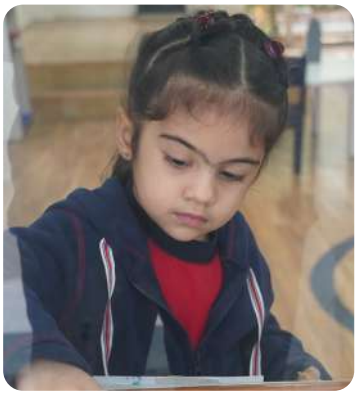

CERTIFIED MONTESSORI EDUCATORS

Our trained and certified Montessori educators guide each child with patience, deep observation, and a thorough understanding of early-years development. They support growth through gentle guidance rather than instruction.

SOCIAL–EMOTIONAL LEARNING

Grace and courtesy, mindfulness, and emotional expression are woven into daily routines. Children learn to regulate emotions, collaborate peacefully, and form trusting relationships within their community.

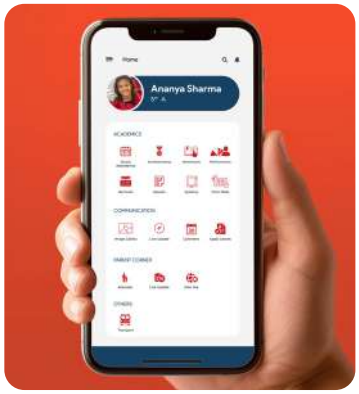

SENSORIAL LEARNING MATERIALS

Authentic Montessori apparatus invite children to learn through their senses, refine perception, and make abstract ideas concrete. Each material has a clear purpose and supports hands-on discovery.

STRONG FOCUS ON INDEPENDENCE

From simple choices to meaningful self-care tasks, children build confidence, discipline, and ownership of their actions. These early experiences lay the foundation for independence that lasts a lifetime.

PARENT COMMUNICATION VIA APP

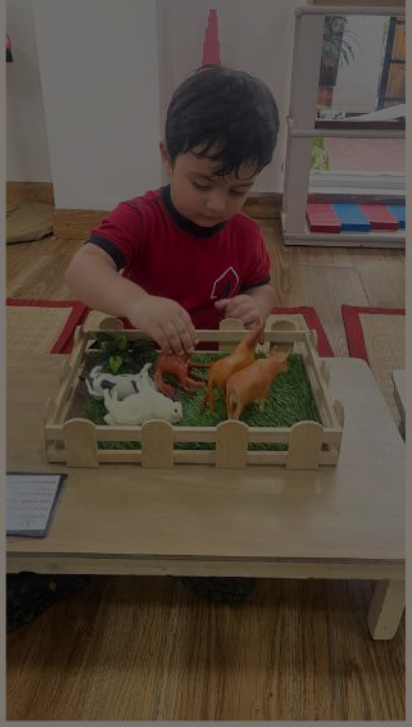

Photos, updates, and classroom observations help parents feel connected to their child's day. This transparent home–school bridge supports shared understanding and builds trust.

PEACE EDUCATION

At Ardee Montessori Houses, peace is lived daily through calm environments, respectful relationships, and purposeful work that nurtures self-discipline, empathy, and responsibility.

PEACE BASED ARTWORK

SPORTS

At Ardee Montessori Houses, Sports is positioned not as an extracurricular add-on, but as a core developmental pillar aligned with Montessori philosophy, child psychology, and contemporary best practices in movement education.

Montessori Sports is anchored in the belief that movement is intelligence in action. The programme is designed to:

- Support gross motor development and neuromuscular coordination
- Build executive function through rule-based games
- Foster self-discipline, resilience, and teamwork
- Encourage joyful, non-competitive engagement with physical activity

The emphasis is on process over performance and personal mastery over comparison.
